Inhouse Training

We offer training events that are specifically designed to meet the needs of your company - from conception, to organization and implementation.

»» Tailor-made training

The training events will be tailored to the needs of your company. We will create a unique training concept that thematically and didactically suits your business and reflects the previous knowledge of your employees.

»» Relevant and hands-on information

Experienced and acclaimed experts from within the industry offer hands-on knowledge and valuable insider's information

»» Time- and cost-efficiency

The seminar takes place at your company's location - saving time and money. Pre-arranged fixed costs allow maximal cost transparency and budget control.

Media Law Topics (amongst others):

Copyright law | labour law | tax law | personal rights | music rights

Media Economy Topics (amongst others):

Calculation | film financing | production accounting | post-production | film marketing
international co-production | digital distribution | multi-platform | negotiation

Erich Pommer Institut - Hands-on training and professional dialogue

Erich Pommer Institut is an institute for media law, media economy and media research based in Potsdam, Germany. Founded in 1998 as a non-profit organization, EPI annually organizes and hosts around 40 seminars, workshops, conferences and panels – both for the German as well as the European and Canadian media industry.
